

CAR PARKING

The **Adelaide Convention Centre** has two car parks, located on North Terrace and Festival Drive (Riverbank).
The North Terrace car park is the closest to the hotel.

North Terrace Car Park (Red)

From the hotel, make a legal right turn onto North Terrace - wait for the traffic lights to turn red, and look both ways for trams before crossing.

Turn right at the second set of traffic lights (before the bridge) to enter the car park.

If the car park says FULL, attempt to enter the car park by getting a ticket from the machine.

If the machine does not give you a ticket, go to the Riverbank Car Park.

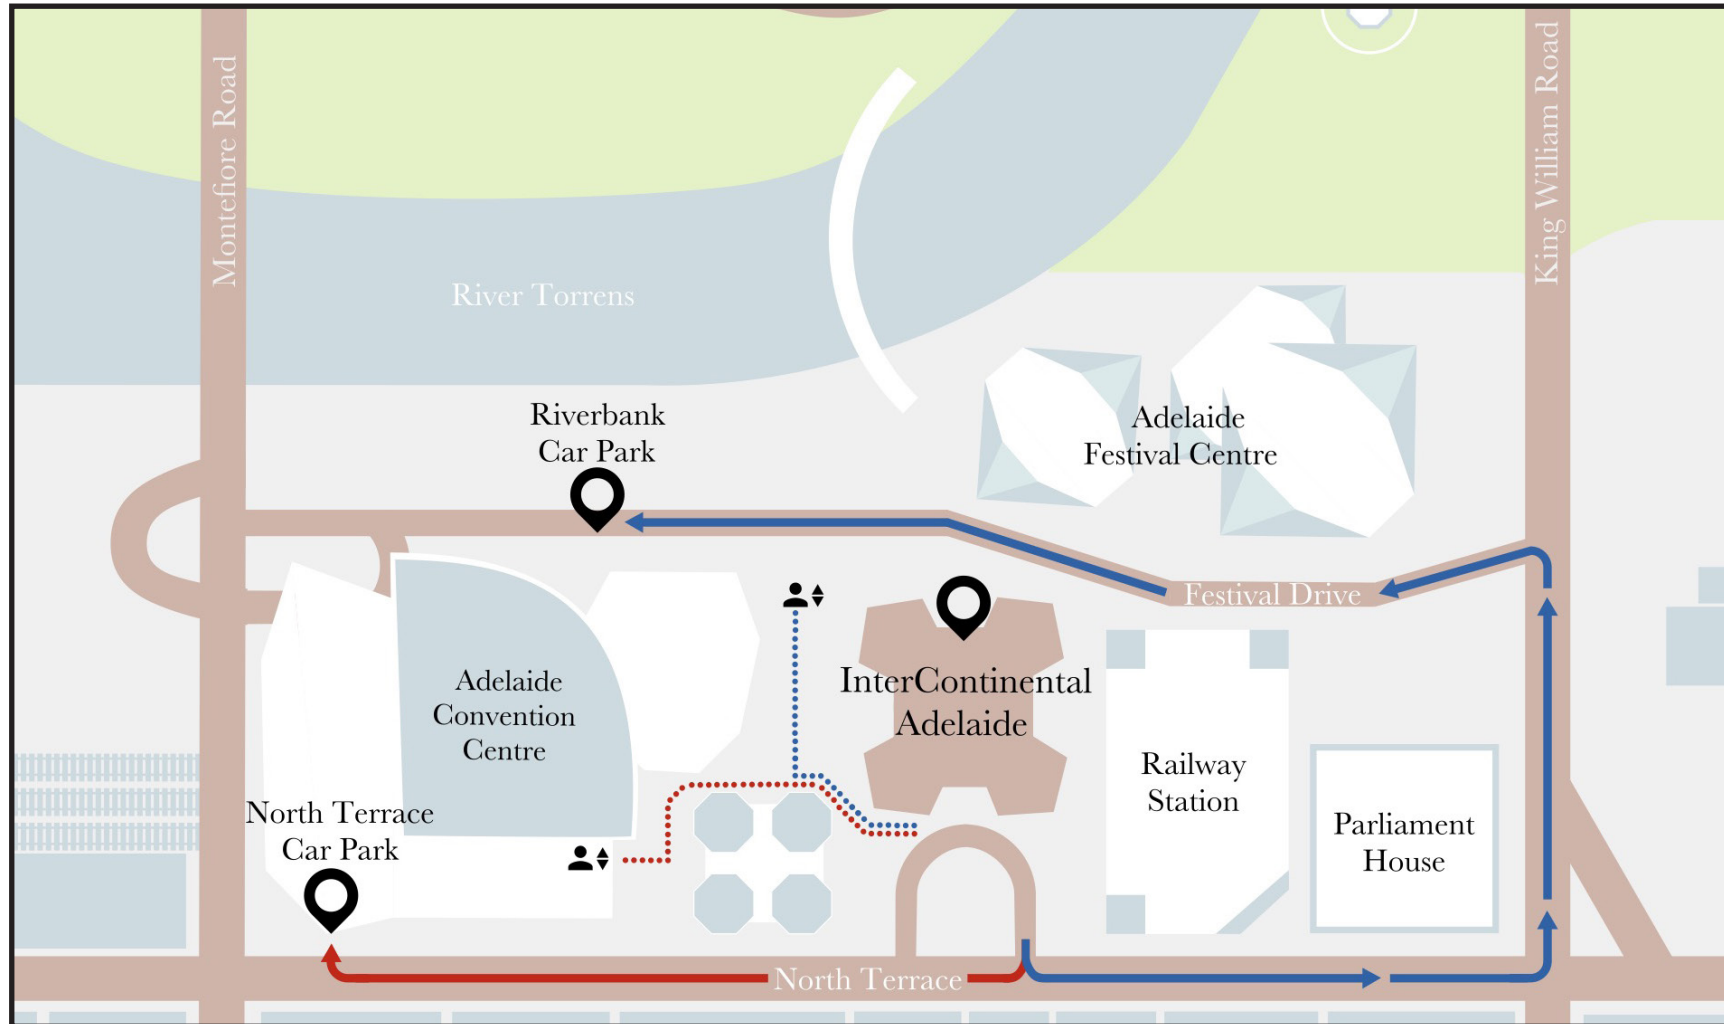

Riverbank Car Park (Blue)

Turn left onto North Terrace, then left onto King William Road.

Turn left onto Festival Drive, then left into the car park.

Be sure to enter the Adelaide Convention Centre Car Park, NOT the Festival Car Park.
